INSTRUCTIONS:

An Alcohol/Drug Evaluation Report Update cannot be used if the petitioner has been arrested for DUI since his/her Uniform Report/Investigative Report was completed (a new Uniform Report must be submitted).

Investigative Reports that did not recommend intervention normally do not require an updated evaluation unless otherwise directed by the Secretary of State Department of Administrative Hearings.

If your agency only completed a Treatment Needs Assessment (TNA), early intervention or continuing care, your agency may not complete the Alcohol/Drug Evaluation Report Update (a new Uniform Report must be submitted).

YES NO

My agency completed a Uniform Report/Investigative Report on ___/___/___/.

YES NO

If you answered yes to any of the last three statements, your agency may conduct the Alcohol/Drug Evaluation Update. This document shall report the nature and extent of the petitioner's use of alcohol and other drugs from the time period from his/her last evaluation to the present. Any new or additional recommended countermeasures must be reported and completed by the petitioner and documented for his/her application for driving relief. A petitioner is expected to complete the recommended countermeasures. If it is an ongoing countermeasure (such as support system attendance, abstinence, etc.), he/she is expected to follow those recommendations.

All items contained in this form must be completed. The information provided should be typed, as illegible documents will delay the application process or result in the denial of petitioner's application. If more space is needed, attach additional sheets. Before completing this evaluation, review all previous evaluations, treatment summaries and the petitioner's last Denial Order from the Secretary of State (if applicable).

NOTE: If not previously submitted, attach a copy of the Alcohol/Drug Evaluation Uniform Report, any subsequent Alcohol/Drug Evaluation Update and a copy of the petitioner's chronological alcohol and drug use history. If the Alcohol/Drug Evaluation Update is being completed by a treatment agency, a Comprehensive Discharge Summary also must be submitted.
